Lellbach wins remodeling awards

Lellbach Builders of Naperville has been awarded two Best of the Best bronze awards from Professional Remodeler in the exterior category and the outdoor living category.

The recognized exterior project was on a home at 1408 Calcutta in Naperville and the outdoor living award was earned for the work done at 1401 S. Gables in Wheaton.

"It's always an honor to have your work recognized, but these awards are especially meaningful because they are judged by your peers," said Doug Lellbach, owner.

These awards were featured in the November issue of Professional Remodeler, a national business-to-business magazine covering all aspects of the remodeling industry.

A total of 36 winners were recognized in 18 categories. The Best of the Best Design Awards are judged by a panel of remodelers and designers and evaluated on creativity, problem-solving, aesthetic appeal and construction quality.
