Aren't we all anxious for green grass and fresh warm air? It would be great if we could snap our fingers right now and unleash a field of clover! As children, we loved finding for a four leaf clover with all it's luck & magic! How many of us still search for a lucky clover today? ( Yes, I do!)

Lellbach Builders love discovering the hidden four leaf clover in our clients homes! Just like in a field of clover, we help our clients search for the unseen magic in their well loved homes!

How do you find that illusive lucky clover for your home? It's not so tough! Just ask the Brennans! All you need is the right mixture of magic, green and gold...and POOF! There you have it! A four leaf clover in your home ready for your enjoyment!

*Hope you find a four leaf clover today!*

### Lellbach Builders Joins Remodelers Advantage

Lellbach Builders recently became a member of Remodelers Advantage Roundtables. With over 200 members from across the US and Canada, Remodelers Advantage Roundtables is the largest and most respected consulting and peer-support organization exclusively for remodelers.

Remodelers Advantage Roundtables bring remodelers together in non-competitive "think tank" groups that work together throughout the year, guided by top industry experts

Doug is impressed already, sharing his first impressions: "We're excited to learn best practices from our industry's finest! Debra & I have attended our first meeting and we are energized by RA!"

We'll keep you posted on our experiences, thoughts and changes!
