Dear Lellbach,

Doug & I are not often on the "other side" of the project process. Yes, that would be your side! As you may know by now, we were honored to be part of the Naperville Garden Club's annual "Cup of Cheer" Christmas House Walk. The experience CHEERED us with not only a beautifully decorated home, but many Ah-Ha moments to CHEER us into 2011. We hope our photos, videos and notes will add some CHEER to your holiday!

We hope this holiday finds time for you to treasure your family, your friends and your home! We appreciate and thank you for your continued friendship.

We wish you CHEER in 2011!

Doug & Debra
